

Stitched - Knowledge Base

Getting Started With Stitched

All the information you need to create an innovative, lead-generating website for your financial business.

Stitched Theme

Stitched Theme is hand-crafted by an AWARD-WINNING digital marketing agency and is available in the HubSpot Marketplace. The documentation within this section applies only to Stitched Theme.

Explore the features

Styling

Choose your theme variation. Stitched offers two theme variations, *Classic* and *Contemporary*. Select the style that best represents your business.

Customize your branding. Update your brand's primary color, fonts, and spacing in your theme settings. Styles edited here apply to all pages and modules within Stitched.

How to Update Your Colors

Make it your own. From font size to alignment to button size, all modules are customizable with safeguards to keep your design stunning.

Support

Get the Most Out of Stitched Theme

Have questions about our theme or need support getting started?

- **Start with your home page.** Not sure where to start? Your home page is typically the first page your visitors will find when they search for your website. Start here to lay the foundation for the rest of your website and familiarize yourself with our features, styling, and content.
- **Review our documentation.** We've included information to help you better understand the resources and support available to Stitched users.
- **Utilize HubSpot Knowledge Base.** Get answers and find helpful resources from HubSpot Knowledge Base. Learn more about using your theme, getting more out of your website, and so much more. Here are a few resources you may find helpful.
 - [How to use themes](#)
 - [Create a page using a theme](#)
 - [Personalize your content](#)
- **Shoot us an email for extra support.** Run into a question or roadblock while building out your website? We're happy to troubleshoot and offer support as needed. Please fill out the form below with your support request:
